RE: Authorization for 235 Sunrise Avenue – Use of Right-of-Way During Season

DATE: November 2, 2023

STAFF RECOMMENDATION

Town staff recommends that Town Council approve the use of Sunrise Avenue right-of-way and permit staff to continue to issue ROW Permits during season. Project is scheduled to be done in January 2024.

GENERAL INFORMATION

The owners of 235 Sunrise Ave, Paul Beach Hotel Condominium, are requesting to utilize the Sunrise Avenue rights-of-way during season to facilitate renovations. Sunrise Avenue will remain open to two-way traffic. The use of the rights-of-way is limited to the sidewalk and parking lane areas. Four (4) parking stalls are being used for on-site welding activities. Attached please find photographs from the structural engineer identifying the magnitude of the restoration measure being encountered and the reason for the extension of the work into season. Also attached please find photographs of the respective road rights-of-way use.

It is critical that the contractor be allowed to continue the work. The information provided shows that several of the structural members have dangerous levels of section loss.
