Lindsey Ann Rohrig
241 Sunrise Blvd, Suite C-11
Palm Beach, FL 33480

You have been informed that a structural repair project is underway at the West wing of the building. The scope of work will include the erection of scaffolding with the protective screening under the arcade property line and above the commercial units. The work includes the removal of plaster, conducting of forensic inspections, and structural repair as directed by the engineer of record. The repair will be completed in three phases starting this season upon The Town of Palm Beach approval. All work will be done under permit # B-22-97304

Respectively;

Jim Stadler
Sr Property Manager
Grace Development, Inc
