RE: Resolution No. 139-2024, approving a retroactive purchase order issued to TGR Technologies in the amount of \$109,230 for advanced video analytics software

DATE: September 27, 2024

STAFF RECOMMENDATION

Staff recommends the Town Council approve Resolution No. 139-2024, approving a retroactive purchase order issued to TGR Technologies in the amount of \$109,230 for advanced video analytics software.

SUMMARY EXPLANATION/BACKGROUND

The Police Department researched software that would provide advanced analytics to enable efficient video review, search, and analysis. The City of West Palm Beach and the Palm Beach Sheriff's Office is using the same software.

Information Technology reviewed the request and the proposal for this new software and authorized us to proceed. On the timeline to secure, a purchase order was issued in September. I had reached to the Town Manager for approval to proceed and bring back at the next Town Council Meeting.

FUNDING/FISCAL IMPACT

Funding for this project will be from a donation from the Police Foundation.

TOWN ATTORNEY REVIEW

This format has been utilized by the Town in previous recommendations and was approved by the Town Attorney.
