RE: Discussion on Commercial Motion Picture Making Ordinance

DATE: September 26, 2024

---

## STAFF RECOMMENDATION

Staff recommends that the Town Council review the proposed language regarding the Commercial Motion Picture Making Ordinance and provide feedback.

## GENERAL INFORMATION

Town Council directed staff at the August 13, 2024, meeting to review the existing Commercial Motion Picture Making Ordinance (Chapter 22, Article IV.) and provide recommendations on amendments to the current language for consideration. Staff presented draft ordinance language at the September 10, 2024, meeting. The Town's legal counsel has incorporated commentary from the September 10 meeting into the draft for review at the October 8, 2024, meeting. Changes include provision of more detail related to filming operations in residential areas, addition of a prohibition on clothing changes as part of filming operations, and inclusion of cross-references to relevant Code sections with descriptors.

Following Town Council's discussion of this item at the October 8 meeting, staff seeks direction from Town Council as to whether they would like to see the item placed on First Reading at the November 2024 meeting or would like to discuss another draft before moving to First Reading.
