Town of Palm Beach  
Public Works  
951 Old Okeechobee Road  
West Palm Beach, FL 33401

ATTENTION: Patricia Strayer

REFERENCE: Town Council Agenda Slot Request

Good day Patricia,

Hedrick Brothers has been granted the use of seven parking spaces immediately in front of The Palm House Hotel at 160 Royal Palm Way through October 29<sup>th</sup>, 2024 for construction related activities.

The expected date that the project will earn a Certificate of Completion is November 22, 2024. Hedrick projected that TCC date with the expectation of being able to use the aforementioned parking spaces until the start of season. We were remiss in not timely presenting an extension request to Council in October.

Hedrick Brothers respectfully asks that our request to extend the time we can occupy the seven spaces from November 13<sup>th</sup>, 2024 through December 13<sup>th</sup>, 2024 be placed in the November Council's agenda. We will discontinue use until we have Council's decision. Hedrick will make a best effort to obtain a CC on November 22<sup>nd</sup> but without the access we lost that date may be delayed.

Please contact me with any questions and thank you for your consideration.

Best regards,

Gene Parker  
COO and President of Luxury Residential
