---

### GENERAL INFORMATION

Town Council directed Town Staff and the Town Attorney at the August 13, 2024, meeting to review the existing Commercial Motion Picture Making Ordinance (Chapter 22, Article IV.) and provide recommendations on amendments to the current language for consideration. Staff presented draft ordinance language at the September 10, 2024, meeting. The Town's legal counsel incorporated commentary from the September 10 meeting into the draft for review at the October 8, 2024, meeting. Following Town Council's discussion of this item at the October 8 meeting, the Town's legal counsel worked with Staff to incorporate additional comments.

- Revises the time of day limitations for filming operations while removing the blanket prohibition on filming operations during season;
- Details the various grounds pursuant to which the Town Council may deny filming permit applications
- Cross-references Town code sections prohibiting filming operations conducted to carrying on any profession, occupation or calling or for quasi-commercial and commercial purposes in private residential buildings in residential zoning districts;
