LETTER OF INTENT

Current zoning for the project is R-C—MEDIUM DENSITY RESIDENTIAL

Our current proposal, for improvements to the site, does not include any architectural changes to the approved house. We are proposing the following revisions to the originally approved ARCOM plans.

The proposed changes include:

1. Minor modifications to front walkway (shell rock material)
2. Change in site data
3. Addition of fence & gates

The attached plan reflects the above-outlined revisions.

If there are any questions regarding this project, please feel free to reach out to our office.
Thank you for your assistance.
