## **SUMMARY EXPLANATION/BACKGROUND**

The existing Aries Camera for Sewer Inspection, purchased in 2013 has come to the end of its useful life cycle. The camera is used to televise sewer laterals. The existing camera has been out of service for numerous repairs over the past several years.

Public Works submitted to replace the unit in the 2025 budget which was approved.

The new camera is being secured from the Sourcewell Cooperative Contract which provides the Town with substantial savings.

## **FUNDING/FISCAL IMPACT**

Funding for this unit will be from the Equipment Replacement Fund.
