Good morning Janet,

The Board of Ambassador II, a co-op located at 2780 S. Ocean Blvd Palm Beach would like the Town to proceed with placing our building "under consideration" for landmarking.

Kindly send the written material you mentioned that has information on the benefits of landmarking and the landmarking process to my attention at Ambassador II.

Thank you for your assistance.

With every good wish to you and yours for the Holiday Season and New Year.
