RE: Authorization for Florida Power and Light (FPL) – Use of Right-of-Way During Season for 1247 South Ocean Boulevard

DATE: January 2, 2025

---

### **STAFF RECOMMENDATION**

Town staff recommends that Town Council approve the request from Florida Power and Light (FPL) for the use of South Ocean Boulevard for night time lane closure during season.

### **GENERAL INFORMATION**

FPL has been requested to install undergrounding equipment to a new residence at 1247 South Ocean Boulevard. FPL has indicated that completing this work is critical to continue construction at the new residence. The request includes performing this work at night between the times of 7:00pm and 7:00am. The request is for one (1) lane closure for three (3) nights, January 15<sup>th</sup> - January 17<sup>th</sup>. Flaggers will maintain traffic.

The work is being performed for FPL by the same contractor that performs undergrounding work for the Town. Staff has worked with FPL to minimize the impact of this work and recommends approval of the night time work.

### **FUNDING/FISCAL IMPACT**

There is no funding/fiscal impact related to this item.
