Re: Waiver of Town Code Section 18-237, For Building Permit Extension at 3360 S Ocean Blvd, Permit B-22-97335.

Date: April 15, 2025

STAFF RECOMMENDATION

Staff recommends that the Town Council consider the request from Alessandra Bianchini, Vice President with Carousel Development & Restoration, regarding a third permit time extension in which to complete the concrete repairs at 3360 S. Ocean Blvd. The original extension was granted on December 13, 2023, for six and a half months to expire on June 30, 2024. The second request which was granted was to extend the permit by one year and five days – until July 4, 2025, as well as a request to work on Saturdays from 8:00am to 4:00pm, excluding holidays. The current request is to extend the permit by an additional 365 days – expiration date to be July 5, 2026.

GENERAL INFORMATION

The building is managed by the 3360 Condominium Association of Palm Beach. The building permit was issued November 29, 2022, with a total of sixteen months for completion. The current expiration date is June 29, 2024. The contractor explains in their most recent letter dated March 25, 2025, the need for a third extension is due to additional work for the catwalks. The revised construction schedule shows the project completion to end July 2026.

The applicant appears to have complied with all requirements for neighbor notice.

Re: Permit #B-22-97335

To Whom It May Concern:

As required by the Town of Palm Beach, Carousel Development & Restoration, Inc. (Carousel) is required to submit nuisance mitigation measures when applying for a permit extension. Carousel will continue to use current nuisance mitigation measures that we have been using throughout the project. There is new scope of work that would be added to include the catwalk. Current measures include netting the surrounding work area to limit dust, limiting parking to wholly onsite, and no noisy work before or after the Town's operating hours.

Sincerely,
