Subject: Carriage House

Dear Mayor and Members of Town Council:

My Wife and I bought a house in Palm Beach several years ago. Here are the adverse consequences for us of having a night club in our back yard:

1. The value of my property will go down
2. How many more night clubs do we need in a small town which has several excellent clubs already?
3. [CH](#) will be detrimental to the existing clubs
4. It will make a night mare for traffic
5. The average age of residents of Palm Beach is over 80. How many residents will be going to this club 2 AM ?
6. They will be drawing many out of towners who will be leaving late under the influence
7. Where are all these guests will be parking for hours ? They will be using the parking lot at Wells Fargo in my backyard with or without the bank's permission

8.How many more policemen need to be hired at my expense to monitor them?
[9.CH](#) is here because of Brexit. Why do I need to suffer for the problems they will create?

10. Please keep in mind that we have elected you to the Council to protect the safety, well being and protection of the residents of Palm Beach not for the benefits of outside businesses

11. I have personally suffered greatly from your past and pending ill advised decisions. Will you finally have the courage to stand up for once and “ JUST SAY NO”? Enough is enough.

12.And in case you may not be aware, English food such as their meat pie is notoriously poor and English are not well known for their sense of humor.

13. The joke will be on the residents of Palm Beach!

Praying for a favorable response.
