Subject: Night Club South County Rd
To: dmoore@townofpalmbeach.com

Dear Council member,

I was unpleasantly surprised by the news that someone is seeking to create a private nightclub on South County Rd in my neighborhood. Today was the first time I had heard about this even though I live a short distance away on the lake block of Seaspray Avenue. Clearly our street would be impacted by valet and other persons frequenting this club and staff. This is not the kind of impact we envisioned when we bought our house on this street. Given the hours of operation (until 2am), this will create a noise factor as well as unwelcome persons wandering around on our street.
I certainly hope that you will turn down this request.

Helen Alexander
