Subject: Palm beach social club

To whom it may concern,

I am writing to express my deep disappointment in the township for considering the proposal for a social club at 264 South County Road.

This type of establishment can only attract unsavory elements to the island, as we have seen with previous late night establishments such as Au Bar and the Poinciana Club. This is not the type of progress or change that we would hope for the island.

Sincerely,

Mrs. Christopher Asplundh
