RE: Z-18-00112

347 Worth Avenue, Palm Beach, Florida-Everglades Club

Dear Madam Mayor, Members of the Town Council and Members of the Architectural Review Commission:

I live at 9 Via Parigi in Palm Beach. The Everglades Club has filed plans with the Town to install a 750KW generator. I have reviewed their plans and fully support their plans. I believe that the proposed generator will be a fine improvement to the Everglades Club. Hopefully, you and your staff will agree with me and will approve the proposed project.

Thank you for your consideration.

Sincerely,

Mimi Dunkin
