Dear Mrs Taylor

We understand that you will need a variance for a new entrance to your boat dock next door to our home.

This email is to confirm our approval of such a variance.

Good luck

It was nice speaking to you yesterday. And once again I apologize for any inconvenience we have caused you.

Attached is the plan for the dock to our boat lift. Right now there is nothing in place that allows us access to the boat lift therefore we are applying for a variance to install a small dock. Otherwise we would have to swim to our boat!

If you wouldn't mind please send an email saying that you are in agreement with this addition.

Thank you

We look forward to seeing you in the Fall.

Roxann
