Attention: Craig A. Hauschild, P.E.

Ref: Emergency Generator/Road Closure

Dosdourian Enterprises Inc. respectfully request approval to close Cocoanut Row between Worth Avenue and Peruvian Avenue on Friday, 9/28/18 from 8:00am to 7:00pm. We will require the above surface area to stage, assemble and set up a 350 ton crane provided and operated by Maxim Crane to install the emergency backup generator. Backup dates for this road closure will be Monday, 10/1/18 and Tuesday, 10/2/18.

Preliminary Schedule: 9/28/18

8:00am – Close Cocoanut Row/Set Crane

8:30am – Delivery/install counterweights 1 of 5.

9:00am – Delivery/install counterweights 2 of 5.

9:30am – Delivery/install counterweights 3 of 5.

10:00am - Delivery/install counterweights 4 of 5.

10:30am - Delivery/install counterweights 5 of 5.

11:00am – Safety meeting/inspections/secure site.

12:00am – Generator Arrives/Rigging begins.

12:30am – Pick, fly and set generator.

1:30pm – Dismantle Crane.

6:00pm – Crane departs.

7:00pm – Open Cocoanut Row.

For safety reasons, the road and sidewalks will be closed. All occupants will be evacuated from buildings directly below and adjacent to the boom direction and overhead flight path of the generator. This controlled access area will be coordinated, executed and enforced by Dosdourian Enterprises Inc. with the full assistance of The Everglades Club Administration, Security and the Town of Palm Beach Police.

Questions and comments are encouraged.

Thank you. Paul Reilly 561-719-6259
