John,

Thank you for your voicemail this morning. I have been reviewing the plans for 16 Golfview to be presented on October 17.

While I am not confident that I am reading correctly, it appears that the new owners of 16 Golfview intend to erect a wall running north to south on the north elevation that will separate the entrance to their new garages from my parking pad and garage access. It appears that this wall will obstruct my ability to enter and exit my garage. I would propose that this wall be eliminated and hope that you and your colleagues will agree that this wall will impose significant hardship on the ownership of 14 Golfview.

Thank you for your consideration.

Tom
