Re: Resolution for Fees for FY19
Resolution No. 189-2018

Date: November 1, 2018

STAFF RECOMMENDATION

Staff requests that the Town Council approve Resolution No. 189-2018 amending the master fee schedule for the recommended additional parking penalty and the amendments to the cap-off and connection fee schedule.

GENERAL INFORMATION

At the October 9, 2018, Town Council meeting the Town Council approved an Ordinance modifying the Town's parking ticket penalty timing and structure. This Ordinance added a penalty for the failure to pay penalties and delinquency assessments for parking tickets within 120 days. The attached Resolution adopts the associated fee of \$25.

In addition, it was brought to our attention that Resolution 83-2018, adopted at the July 9, 2018, Town Council meeting and effective October 1, 2018, the cap-off and connection fee charge that was adopted in should have been for a cap-off and connection reinspection fee. Instead it increased the initial cap-off and connection fee. This Resolution corrects the error and reduces the initial cap-off and connection fee back to \$150 and establishes the cap-off and connection reinspection fee at \$300.

FUNDING/FISCAL IMPACT

The anticipated increase in FY19 revenue from these fee modifications is \$6,000 for the cap-off reinspection fee and the additional parking penalty is \$3,500.
