From: Danielle Olson, Director of Human Resources

Re: Appointment to "Blue Ribbon" Panel per PERC Ordinance Appendix "A" Section 1.003

Date: November 29, 2018

STAFF RECOMMENDATION

Staff recommends that the Town Council appoint a "blue ribbon" panel in the same manner as provided in the past, consisting of the chairman of the Citizens Association of Palm Beach and the president of the Palm Beach Civic Association (or their designees). It will be the responsibility of the "blue ribbon" panel to recommend one or more qualified individuals for appointment as Chair to the Town's Public Employees Relations Commission (PERC). That recommendation for appointment will be presented to the Town Council on or before the February 12, 2019 meeting.

GENERAL INFORMATION

According to the Town's Code of Ordinances, Appendix A. Section 1.003, the Public Employees Relations Commission (PERC) shall be composed of a chairman and two other members to be appointed by the Town Council from a list of persons submitted by an independent "blue ribbon" panel appointed by Town Council. The Chairman position previously held by Ray Snow is vacant.

It has been the past practice of the Town Council to appoint the chairman of the Citizens Association of Palm Beach and the president of the Palm Beach Civic Association (or their designees) to form the "blue ribbon" panel. The task for the "blue ribbon" panel will be to submit one or more qualified individuals for appointment by the Town Council as the Chairman on the PERC. If Town Council approves moving forward in the usual manner, this year's "blue ribbon" panel would be comprised of Ned Barnes, president of the Palm Beach Civic Association and Alan Golboro, Co-Chairman of the Citizens Association of Palm Beach. Note, Donald Singer is currently Co-Chairman of the Citizens Association of Palm Beach; however, he is also the appointed Employee Representative on PERC and therefore unable to participate in the selection of the Chairman at this time. The Director of Human Resources has historically served as facilitator of the panel, and will do so again this time. If Town Council desires a new method regarding the formation of the "blue ribbon" panel, please pull this item from the consent agenda and provide staff with additional direction.
