Josh :

Here is the problem — are there

“ Club purposes “ other than Club events ? The word “purposes” opens up a host potential uses available to the Club— hence Club Creep!! —Creeping out into the residential area. A beach head for the Club operations to Creep into 238/236 PP.

Given the small size of the park and it’s residential setting —unlike any other park in PB ( according to Carol LeCates) PPP should not be available for any events by anyone , particularly in light of the proposed Permit Only parking in Phipps Plaza.

Therefore any event that is sought to be conducted in PP by anyone needs to be considered very carefully to insure that the right of quiet enjoyment of our residential properties is not disturbed.

So yes , this issue needs further attention as well as the others that we have noted.

Good evening. I hope this email finds each of you well.

Attached, please find an updated version of the Carriage House Declaration of Use. Skip made a revision to #27 of the attached so that this section now reads as follows:

***“The Club may use Phipps Plaza Park for Club purposes, however, any event within the Park which uses Club services shall be considered a Club event, regardless of the number of participants, and shall be bound to the time constraints and the number of events allowed as stated in paragraph 14. Further, prior to any such event taking place, the Club shall apply to the Town Council for authority to use Phipps Plaza Park for a Club related event with notice to the public being given at least ninety (90) days prior to said event.”***

I apologize for my delayed response to your voicemail. I was out of the office yesterday and am still playing catch up today.

If you would still like to meet with the Applicant’s team following review of this revision, please let me know. I have reserved the following days and times as options for this meeting:

- 10am on Thursday, 7 March or
- 3pm on Monday, 11 March.

Please let me know if these days/times work for your schedule.

If you have any questions, please let me know.

Thank you again and have a wonderful evening.

Respectfully,  
Josh
