Town of Palm Beach

April 23, 2019

Please accept this letter as a formal request for a waiver (or an excused absence) for two anticipated absences from the regularly scheduled Landmarks Preservation Commission meetings in 2019. I do not foresee any further absences in 2019; in fact I have always planned to go to my granddaughter's graduation from Worcester State University on May 18 and have made arrangements to fly back to Palm Beach specifically so I would not miss the May 22, 2019 LPC meeting.

I was appointed to an alternate position on the Landmarks Preservation Commission by you on March 19, 2019, after the uncertainty of three tries since January of 2018. I found out shortly thereafter from an experienced Commissioner that the LPC regularly meets on the third Wednesday of each month, but I should go to the town website to confirm. Once I did that, my worst fears ( that I was scheduled to be out of town in June and October) were realized. My husband and I have booked and paid for two cruises which will take us to Europe on both June 19 and October 18 ( a Friday...note that if the meeting date were changed to the following Friday the 25<sup>th</sup> I could make it). Since I wasn't appointed until after we booked and paid for these trips, and I am letting you know in plenty of time, I am hoping you will waive the requirement that I attend these meetings in Palm Beach. It will not happen again!

As I will be in New England when you meet on May 14, I cannot be there in person (though I suspect you have seen enough of me). I would be happy to answer any further questions you may have, however, by a call to my cell phone at (508) 627-0250. Many thanks in advance.
