

ORDINANCE NO. 33-2019

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF PALM BEACH, PALM BEACH COUNTY, FLORIDA, AMENDING THE TOWN CODE OF ORDINANCES AT CHAPTER 18, BUILDINGS AND BUILDING REGULATIONS, ARTICLE I, IN GENERAL, DIVISION III, PLANS AND PERMITS, BY ADDING SECTION 18-86, CONSTRUCTION STAGING AND TRUCK LOGISTICS PLAN; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF ORDINANCES IN CONFLICT; PROVIDING FOR CODIFICATION; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF PALM BEACH, PALM BEACH COUNTY, FLORIDA, AS FOLLOWS:

Section 1. Chapter 18, Buildings and Building Regulations, of the Town Code of Ordinances, Article I, In General, Division III, Plans and Permits, is hereby amended by adding a new section, 18-86, as follows:

Sec. 18-86. – Construction Staging and Truck Logistics Plan.

Any project that requires major Arcom or LPC approval shall include in their plan set a construction staging and truck logistics plan. This plan shall be submitted as part of all major Architectural Committee and Landmark Preservation Committee projects that demonstrates how the owner and contractors will identify specific locations on and adjacent to the project site for parking, material storage, deliveries, dumpster, portable toilets, tire cleaning area, silt fence, etc. This staging and truck logistic plan should indicate the proposed route for truck traffic to best ingress and egress the property depending upon its location on the Island, including the roads and bridges used. The plan should attempt to identify the size of larger vehicles that might be used for construction or deliveries, the estimate of the number of trucks, and a rough schedule of construction listing some of the major construction benchmarks (foundation, block deliveries, concrete pours, roof truss deliveries and truss setting, window & door deliveries and installation, final landscape installation, etc.). This information could be presented in the form of a critical path method (CPM) chart, placed on the staging and truck logistics plan page. This plan should represent the best estimate of the site layout and of the truck information available at the time of plan submittal and may be revised during the construction project.

Section 2. Severability. If any provision of this Ordinance or the application thereof is held invalid, such invalidity shall not affect the other provisions or applications of this Ordinance which can be given effect without the invalid provisions or applications, and to this end the provisions of this Ordinance are hereby declared severable.

Section 3. Repeal of Ordinances in Conflict. All other ordinances of the Town of Palm Beach, Florida, or parts thereof, which conflict with this or any part of this Ordinance are hereby repealed.

Section 4. Codification. This Ordinance shall be codified and made a part of the official Code of Ordinances of the Town of Palm Beach, Florida.

Section 5. Effective Date. This Ordinance shall take effect immediately upon its passage and approval, as provided by law.

PASSED AND ADOPTED in a regular, adjourned session of the Town Council of the Town of Palm Beach, Florida, on the First Reading this ____ day of _____, 2019; and for the Second and Final Reading on this ____ day of _____, 2019.

Gail L. Coniglio, Mayor

Danielle H. Moore, Town Council President

Margaret A. Zeidman, Council President Pro Tem

Julie Araskog, Town Council Member

ATTEST:

Lewis S.W. Crampton, Town Council Member

Kathleen Dominguez, Town Clerk

Bobbie Lindsay, Town Council Member
