**Re: Proposed Historic (Landmark) District of the Sea Streets**

Dear Mayor Coniglio and Members of the Palm Beach Town Council:

As residents of Palm Beach for over 30 years, and living at 419 Seaspray Avenue for 24 years, we are writing to state that we strongly oppose the potential blanket land-marking of all the homes on the Sea

streets by virtue of the proposed creation of the Historic (Landmark) District of the Sea Streets that was voted on at the August 21st, 2019 Landmarks Preservation Commission meeting.

The historic district subject was pursued in 2003, and like today, it was strongly opposed by the owners of Sea street properties. The Council did not support the designation at that time, and hopefully it will not support it again this time.

Steven Jeffrey Greenwald, Jay Serzan and Carol/Frank LeCates, who are also Sea street resident owners, have written and sent you letters which eloquently state many of the reasons for opposing the creation of the Historic District of the Sea Streets; we fully support the arguments noted on those letters.

Sincerely,

Patricia and Lance Mahaney
