To the Mayor, Town Council and town staff,

I am writing in regards to the proposed designation of the Seas streets as an historic district as I cannot be at the Town Council meeting tomorrow.

I have owned my house on Seaview Avenue for over 42 years. I have seen houses torn down and new ones built. On older houses I have seen historic details demolished in the name of energy efficiency and modernizing. There is very little of historic value left on the ocean block of Seaview. Creating this historic district on the Seas streets places an unnecessary burden on the residents. Furthermore it appears that it is proposed by a committee of non- residents and apartment dwellers, not house owners or even residents of the impacted area. Shame on them!

Please ignore this proposal by the Landmarks Commission and leave us in peace on the Seas streets.

Thank you,

Ann Biggs Jackson
