Dear Mayor Coniglio and Town Council:

My wife, Kristy, and I will be out of town on Thursday when the Council will consider the appeal of the recent Landmarks Preservation Commission actions involving the Sea Streets historic designation.

We would like you to know that we stand with our many fellow neighbors in support of the appeal and in opposition to the efforts of the Landmarks Commission to subject the Sea Streets to a blanket historic designation and to the Commission's actions taken without proper notice to the neighborhood.

Thank you.

Grier Pressly
