Dear Mayor; Members of the Town Council and Deputy Town Manager;
Re: Palm Beach Hotel Garbage Collection

I am writing to express my support for the decision of Public Works Director Paul Brazil. I was so happy to hear that because of his decision; the Palm Beach Hotel will no longer be able to place its garbage on our street for collection. I have been a resident of Park Ave. for several years and I very much enjoy the quiet nature of the street as well as the dog park. I ride my bike and walk my dogs every day on Park.

The multitude of garbage bins lined up every day along with the noise and smell associated with the garbage collection is annoying and in fact disrupts the quiet enjoyment of my morning walks. The site is so incongruent with Park Ave. it just defies logic and fairness that the Hotel should be allowed to continue this practice. I am asking that you please uphold Mr. Brazil's decision to prohibit the Hotel from placing its garbage on our street.

Sincerely

Albert Levy
