Good afternoon Wayne-

I would like to Appeal the Stop Work order issued for the aforementioned residence.

I have attached the appeal letter that I wrote to Chief Caritso and I have now addressed it to you as the by laws read it should be addressed to the Building Department.

Since the letter to Chief Caristo, all fines have been paid and the paperwork to update the permit cost and to close the permit was attempted to be submitted - but with the stop work order in place everything is on hold.

If you have any questions or comments please do not hesitate to contact me.

As always, I look forward to hearing from you.

Best,  
MFA
