Subject: Letter of support for the Ambassador Hotel Project

I was excited about a new hotel coming to the neighborhood just steps away...and then after I saw the presentation of how sleek and beautiful plus all the amenities I can hardly wait to have a brand new 5 star hotel I will use everything and bring my family and friends. They will love it! Also, this will increase the value of our neighborhood and bring in a lot of money to the town of Palm Beach. I do hope they will have a jazz bar I'm from Chicago and we would walk to the Ritz, Four Seasons Intercontinental and have a wonderful meal listening to jazz Gibson's has a jazz piano bar Have a great steak, Cabernet and jazz. We NEED a new hotel which will be vivacious with excitement. I'm all for it

Respectfully,
