

Town Council  
Town of Palm Beach  
360 S. County Rd. Palm  
Beach FL 33480

June 16, 2020

Subject: July 15, 2020 Zoning Hearing Case Number Z-20-00262

We, the listed individuals below, are shareholders in the Edgewater House cooperative, which is located directly across South Ocean Blvd from the Ambassador Hotel. We are writing in support of the Ambassador Hotel's proposed enhancement of their facility as outlined in the zoning application sent to the Palm Beach Town Council on May 15, 2020.

The Ambassador Hotel's proposal will create a deluxe facility, which will significantly enhance the aesthetics of the area and will have a beneficial effect upon the value of the neighboring buildings. In addition, we feel that the "New Ambassador" will offer many amenities to the residents of this area of South Ocean Blvd.

We, therefore, request the Town Council support the application.

Respectfully,

**Past and Present Presidents**
