Dear Madam Mayor, Ladies and Gentleman of the Town Council and Town Staff:

I am the resident and owner at 22 Middle Road, and have lived here since 1986.

I am primarily concerned about the location of the chicane on Via Marina, and the possible elimination of the sidewalk on Via Marina. Since Via Marina has no street light, if the sidewalk were to be removed, it would be a very dangerous night time walk and, in addition, in my opinion, it would completely obstruct the Glazers view as they back out of their driveway onto Via Marina, thus creating another very dangerous situation.

There must be another solution to the placement of the transformer.

Thank you for your consideration.
