                Replacement, Part II
                Resolution No. 130-2020

DATE: October 21, 2020

STAFF RECOMMENDATION

Town staff recommends that Town Council approve Resolution No. 130-2020 authorizing the Town
Mayor to sign the Florida Inland Navigation District (FIND) Agreement for Project No. PB-PB-20-
209 for FIND cost sharing participation in the amount of $1,000,000 for the Town Dock Replacement
Project, Part II.

GENERAL INFORMATION

On October 1, 2020, FIND staff informed the Town that the FIND Board of Commissioners
recommended funding for the 2020-2021 Waterways Assistance Program. The Town was awarded a
50:50 match of up to $1,000,000 for the Town Docks Replacement Project, Part II. Following
execution of the Agreement, the Town will have up to three (3) years to complete the applicable
construction tasks. This cost-share from FIND is the second grant issued for construction activities
related to the Town Dock Replacement Project. Last year, FIND awarded $3,062,000 in cost-sharing
for the project.

FUNDING/FISCAL IMPACT

FIND funds will reimburse the Town $1,000,000 for 50% of $2,000,000 spent on the Town Docks
Replacement Project above the initial $6,124,000 spent in association with the first FIND grant. These
tasks include the dock improvements and bulkhead replacement.

TOWN ATTORNEY REVIEW

This Resolution has been reviewed and approved by the Town Attorney for legal form and sufficiency.
In addition, the Town's Attorney will review the FIND contract and approve it for legal form and
sufficiency prior to execution.
