Re: Lake Drive Park, Palm Beach

Dear Jay,

As you know, I've been following the Marina project over the past couple of years as well as the efforts of Fairfax and Sammons to add enhancements to the upland Marina and Amenities to the Park.

I understand at the upcoming Town Council Meeting , Council will consider approving a budget to enhance the landscaping within the Lake Drive Park.

My intentions as a Longtime Resident who cares about the aesthetics of the Town and someone who has previously been involved with Public/Private projects like the Par 3 Golf Course and Clubhouse.
I would like to offer my time to help the Town, again.

I propose the following:
I have asked my friends and colleagues
Nievera-Williams to donate the
Landscape Architectural Services to the Town to complete a design for the Park Enhancements.
They have Agreed.

I am committed to raise the funds to pay for landscape enhancements designed by Nievera - Williams and approved by TC.

I will be the Key Fundraiser for the Landscape Project.(Project cost TBD) I will select likeminded town residents to serve on a committee with me.

Please distribute my proposal and let me know if the Town would like to meet with me.
Most Cordially,
Scott Snyder
