I'm ok with that. Do you need a formal letter or will an email suffice?

Hi Jamie – not sure if Paul spoke with you this week but the Coyo Taco application (Z-19-00211) is once again on the Town Council agenda for the Special Exception with Site Plan. No one believes that this should be back on the agenda. We are hoping that you will request a deferral for at least 6 months. That will be staff's recommendation. Thank you.
