## **STAFF RECOMMENDATION**

Town staff recommends that Town Council approve a purchase order to L.J. Power Inc. for the purchase of a Towable Generator in the amount of \$77,900 and a project budget of \$85,000.

## **WHY THIS ACTION IS REQUIRED NOW**

The new towable generator will replace asset # 8623, a 1996 Katolight 150Kw generator designated as backup power for Town Hall. This unit is not operational nor cost effective to repair due to the age and obsolete OEM parts

## **PURCHASING METHODOLOGY**

Purchasing utilized the Florida Sheriff Association and Florida Association of Counties Contract FSA20-VEL28.0-SPEC 121 to secure best pricing.

## **FUNDING/FISCAL IMPACT**

Funding for the Towable Generator will be from the Equipment Replacement Fund.
