Application NUMBER B-020-2021

Dear Members,

We, Renee and Alan Gozlan, reside two doors away at 141 Seaview Avenue. We have reviewed the plans and application. The project will enhance and beautify our neighbourhood and as such we are in complete agreement with the proposed improvements to the house, landscaping and pool house at 167 Seaview Avenue. Many thanks for your anticipated cooperation on this project.

Respectfully submitted

Renee and Alan Gozlan
