

MICHAEL J PUCILLO

224 Dunbar Road

Palm Beach, Florida

April 26, 2021

Town Manager Kirk Blouin

Town Hall

Palm Beach, Florida

Dear Mr. Blouin:

I am enclosing herewith a Petition that has been signed by approximately 40 residents who live between Wells Rd. and Sunrise Ave. The Petition requests that the Town Council consider amending the Town Code to permit dogs to be off leash on the beach between Wells Rd. and Sunrise Ave. from Sunrise to 9:00 am. The reasons for this change are set forth in the Petition.

I walk my dog every morning before 9:00 am along this stretch of beach. There is no one on the beach during the early morning hours other than a few residents, several of whom are walking their dogs. I do not believe this change will inconvenience any resident of the Town, and would be much appreciated by the dog owners in this neighborhood.

I ask that you forward this to the Council President for consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael J. Pucillo". The signature is fluid and cursive, with a large initial "M" and a long, sweeping underline.

Michael J Pucillo

PETITION TO THE TOWN COUNCIL FROM TOWN  
RESIDENTS BETWEEN WELLS RD AND SUNRISE AVE.

The undersigned Town of Palm Beach residents who live between Wells Rd. and Sunrise Ave. respectfully request that the Town Council amend the current Town Code to allow dogs to be off leash on the beach between Wells Rd. and Sunrise Ave. from Sunrise to 9:00 am. We believe this action is appropriate for the following reasons:

1. Many residents in this neighborhood of the Town enjoy taking their dogs to the beach and letting them run free during the early morning hours. In fact, that was allowed under the Town Code for many years until the Code was changed several years ago.
2. This stretch of beach is virtually empty in the early morning, so this change will not result in any inconvenience to other residents.
3. Other communities throughout the United States have adopted similar rules which allow dogs to be off leash in the early morning hours on beaches and in parks, and then return to a leash requirement after 9:00 am.
4. While attempts have been made to achieve this result informally, that approach has not worked. If the Police are called, they must enforce the Town Code as written. This has resulted in some of the undersigned being warned or even threatened with fines by the Town Police. We recognize that in these instances the Police are simply doing their job, even when the beach is empty in the early morning hours. The only solution is to amend the Town Code as we are requesting.

Respectfully Submitted,
