Dear Mayor and Members of Town Council:

I certainly appreciate how much the council has done and continues to do to keep Palm Beach's historic aura.

I realize that we have to move into the future. Keeping the right balance is difficult and the mega mansions that I see being built dwarfing our charming cottages is very surprising and disturbing for an old Palm Beacher. I, as a 30 year resident would hope that our residential zoning codes will be updated as soon as possible before we are totally consumed by all the construction, and traffic and mega mansions.
