DEAR MEMBERS OF THE TOWN COUNCIL:

We are long time Palm Beach North end residents (51 years) and feel the need to express our concerns about the continual denigration of the charming small time atmospheres which has resulted in construction of massive homes on virtually every vacant lot or home on the market.

The recent article on Thursday in the Shiny sheet addressed the land fill situation before council but was not resolved. The zoning code has not seen a comprehensive update in 50 years.

We respectfully request that Town Council prioritize residential zoning. Also please allocate funds for the next fiscal year to accomplish these goals

Thank you for your consideration

Sincerely,

Alfred C. Lucier, M.D.
