I am one of the owners at 100 Worth Avenue and have been here for 19 years. My wife and I have a double unit and are now both Palm Beach residents.

Over the past years, the volume of people visiting this end of Worth Ave has increased dramatically since it was updated with the clock tower, and the renovation at the entrance to Worth Avenue. Seems every newlywed, graduate, or tourist needs their picture taken here, or just want to view the midtown beach. The walking traffic down Worth Ave is constant every day with visitors that are seeing the sights.

The proposed renovations at 125 Worth will add tons of construction vehicles, excess noise, road closures, etc., followed by extra daily traffic and added retail, which will further change the quiet complexion of this block.

We are against the proposed project at 125 Worth - please vote NO to this proposal.

Thank You,

**Richard Aron**
