Dear Kelly:

I am writing to you and the entire ARC Board in support of the extension and architectural changes at 146 Seaspray Avenue. Mr. and Mrs Fries and their architect have been sensitive to the original home and the neighborhood. The original integrity of the home has remained and the changes will make their living environment more current to ones living needs.

We believe the improvements are positive for the neighborhood and has no negative impact on our property. We are in complete support of their addition and changes to their home.

Thank you

Joan and Garrett Pluck
167 Seaview Avenue
