**Dear Town Council Members:**

**My husband and I reside at 142 Seaspray Avenue. Our house is next door to 146 Seaspray Avenue. I would like to express my full support of our neighbors, Michael Fries and Michelle Malone, regarding their variance request to build a small, addition to their garage / cabana outbuilding. I have looked at the plan and think it is a minor, tasteful addition that will have no effect at all on our home. Michael and Michelle take wonderful care of their lovely sea street home and it is a pleasure to have them as neighbors.**

**I fully support their request for a variance for this addition.**

**Sincerely,**

**Nancy Visconti
