Re: 146 Seaspray Ave.  
ARC 21-015  
Z-21-00383

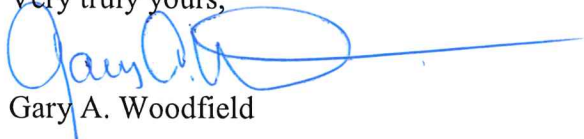

Dear Town Council Members:

I am a resident of Palm Beach having resided at 150 Seaspray Avenue for more than 30 years. I write this letter in support of the application of my neighbors, Michael Fries and Michelle Malone, for a variance in connection with a 128 square foot addition they seek to make to their cabana/office structure located on the south west corner of their property. Our house is immediately west of 146 Seaspray.

I have reviewed the materials submitted in support of the variance sought, which I understand has been approved by ARCOM. This is minor modification to the existing structure which has no impact to any of the neighbors. Michael and Michelle, fairly new to the neighborhood, are delightful neighbors who have maintained their residence in an impeccable manner and who appear to enjoy the unique relationships shared among the neighbors.

I fully support the variance sought by Michael and Michelle.

Very truly yours,

Gary A. Woodfield
