Subject: Proposed Ordinance for the Root Trail Beach Access

Dear Council Members,

We are supporting the Root Trail residents effort to have extended hour use of the beach. We have owned our home on Root Trail for 26 years and during that time have enjoyed having full beach access.

It seems very unfair to suddenly restrict that access in order to resolve a problem that was not caused by the residents of Root Trail.

Hopefully the Council will consider our concerns and amend the ordinance to grant Root Trail residents more access to the beach.

Sincerely,

William and Sheila McHenry
