Good Morning,

My name is Edward Koehler and in August I have recently closed on an apartment at the Ambassador II, 2780 South Ocean Blvd, Palm Beach Fl. Some of the things that attracted me to purchase an apartment in this building was the peaceful and quiet setting this building has to offer. It is a well maintained building and the administration strives on attention to detail to make it a wonderful place to live and enjoy retired life. I have stayed at the Four Seasons Hotel at least once a year for the past 9 years and waited patiently for an opportunity to purchase a place here on the ocean in Palm Beach. I was upset to here that there was an application to add a Beachfront Concession at the Four Seasons Hotel. I am opposed to such, primarily because it will affect the peaceful and quiet surroundings that I enjoy. No doubt it will

attract more people to the area and raise my security concerns. I selected this location because after 28 years of service as a Police Officer with the New York City Police Department, I was looking for a place that would be the direct opposite of what I was dealing with on a daily basis. I urge the Town of Palm Beach to deny this application.

Respectfully,

Edward F. Koehler
