

Town Council  
Palm Beach, FL

Re: Four Seasons

Dear Sirs,

We are writing to you in regards to the proposed Four Seasons Concessionaire. As taxpayers and residents of Palm Beach, we want to express our dismay at this proposal. The noise, crowds, trash and overall milieu of this project strikes at the heart of what Palm Beach is.

We moved here several years ago to enjoy the peaceful beachfront and the elegant Palm Beach lifestyle. We are appalled that the Four Seasons would turn our pristine beach into an echo of Fort Lauderdale. Recently there was a wedding at the Four Seasons which can only be described as a booming rock concert with noise levels that created a significant disturbance. The ensuing cacophony lasted until midnight, significantly impacting our sleep and tranquility. Several of my friends are now considering selling. The impact on property values in the area cannot be overstated.

The considerable cache of our town will be irreparably damaged if this project comes to fruition. We implore the council to stop this concessionaire and put a stop to the downward spiral of our beloved community.

Sincerely,

Dr. & Mr. Suzanne and Lloyd Kahan
