Dear Commission Members, As a resident of 2780 South Ocean Avenue since 1992, I wish to formally object to the request for a concession on the beach at The Four Seasons Resort. I fail to understand why a Resort would initiate a concession on its property when the Resort charges in excess of \$1000 per night. Certainly the concession is meant to generate activity from those outside the resort. I fail to understand if it would benefit the hotel guests and it would significantly impact the neighboring private beach property. The increased traffic and overflow into the private beach front of 2780 South Ocean will have a negative impact on the neighborhood. The residences of 2780 pay for beach clean up and it will create a burden on the property. This does not included the increased traffic on the beach and the private property of 2780 but also would include additional clean up and increased congestion. I respectfully request you deny this request. Respectfully submitted, Sheila G Farmer, 2780 South Ocean Apt 204.
