Dear Council Members,

As residents of Palm Beach Towers, we strongly support all the points presented in Guy Clark's letter in the PBDN, which stated both the history and reasons for the much needed revitalization of the playhouse and proposed restaurant. This plan will provide a well deserved venue, serving a broad audience and wide variety of interests in a beautiful setting. We hope it comes to fruition, as it will be a great addition to Palm Beach's cultural offerings.

Most sincerely,

Margaret and Robert Galletta
