Dear Town Council,

I am writing to you in full support of the proposed plans by WS Development for the Playhouse and surrounding areas.

Reopening the building entirely, bringing waterfront dining (something extremely desired on the island), retail/gallery space and a cultural arts center would be a welcome addition to our community!

What this team has done with The Royal Poinciana Plaza is remarkable and a true testament to the incredible work they are capable of. WS Development has brought new life to a property, while keeping and honoring the history and heritage of one of our most beloved spaces on the island.

Finally, I fully trust and support the Glazer Family and know the cultural arts center proposed would be of the highest caliber and fitting for the island.

Thank you very much!
All the best,
Stace
