Hello, I am sending the following letter on behalf of Alexander Sloane and Alexandra Schuster.

Greetings,

We are contacting you as residents of Palm Beach . We have been blown away in recent years by the amazing work that has been done in restoring the Royal Poinciana Plaza. Upmarkets took a local eyesore and turned it into a premier town center. We often visit the wonderful shops and restaurants with our friends and family.

We were very excited to hear that Upmarkets has put together a wonderful team and plan to restore the Royal Poinciana Playhouse. We love the idea of being able to attend shows at the restored playhouse with our young daughter for years to come.

It is our hope that the Town Council will allow Upmarkets to move forward with the restoration as quickly as possible and continue the incredible revitalization Royal Poinciana Plaza and Playhouse.

Best Regards,
